The boat has a small cabin that about 5 people will fit in, but 12 people will be on each tour. I think folks on the tour will need to take turns inside/outside the cabin throughout the 2 hours!

Hey Allison,

I have you on the 12:15-2:15 boat tour. Alanna and I will be shuttling everyone from the hotel to the boat ramp in GOVs. I will send out an email to everyone on the boat tours with more logistics, but the main thing is that everyone should bring a rain coat and some warm layers. I am not that hopeful that the weather will cooperate!

Hi Anne –
I'm now going to be getting to Portland Monday night so I can do a boat trip any time on Tuesday, just fit me in wherever there's room. I'm low priority so if you find you're running out of space, feel free to give my seat up to someone else.

Kristine – if you need any help with anything when you're setting up for the meeting on Tuesday, let me know, I'm happy to help.

Hope the logistics are not getting to painful.
